Family Participation at Hilltop Children's Center

Hilltop is a non-profit organization and we aim to make full use of all our resources. Donations to Hilltop are used to provide financial assistance to families who otherwise could not afford to attend Hilltop, to purchase larger items outside of the operating budget, and to help us in our efforts to provide livable wages and benefits to our teachers. Donations to Hilltop are tax-deductible.

Hilltop asks families for donations approximately twice per year. We hope that all families who can afford to do so, will make a tax deductible contribution. You may also donate on a monthly basis, adding an amount to your tuition check. If you would like to donate monthly in this way, please ask one of the office staff for a form to complete.

In addition, many employers will match your contribution or have grant or donation programs that Hilltop may benefit from. To help us be aware of these possibilities, we would appreciate your providing the following information.

Parent 1 Name: _____

Employer _____ Occupation _____

Parent 2 Name: _____

Employer _____ Occupation _____

We encourage families to volunteer at Hilltop. Parents and families often have skills that they are willing to share with Hilltop. Below is a list of volunteer needs that we have, and feel free to add any other ways in which you could support us. Individual classrooms may also ask for volunteers to help with classroom needs, such as chaperoning field trips, reading to kids, and taking dictation of children's stories.

- Classroom Cleaning
- Maintenance and Repairs
- "Parent Coordinator" for your Child's Classroom
- Board of Directors
- Marketing
- Web Site Design or Maintenance
- Fundraising
- Experience Project Committee
